

SERG AUTUMN WORKSHOP

Achieving A Just Transition: Energy System Design and Social Equity

PROGRAM

I. Introduction by Prof. Dimiter Ialnazov

Professor at GSAIS, Kyoto University

II. Presentation by Prof. Andrew Chapman

Associate Professor and Administrative Director of the International Institute for Carbon Neutral Energy Research, Kyushu University

III. Comments, questions and discussion

Prof. Chapman's research focuses on energy system analysis, particularly on the social equity implications of the introduction of new energy technologies and policies. He received his Master degree in Governance and Public Policy (Resource Management Major) in 2012 from the University of Queensland, and his Doctorate in Socio-Environmental Energy Science in 2016 from Kyoto University.

DATE: 7 DEC. 2022 (WED.) 18:30 - 20:00 (JAPANESE TIME)

Free of charge, anyone can join the workshop!
