

SERG SUMMER WORKSHOP

What Kind of Finance Do We Need for a Sustainable Economy?

PROGRAM

I. Introduction by Prof. Dimiter Ialnazov

Professor at GSAIS, Kyoto University

II. Presentation by Prof. Alexander Ryota Keeley

Associate Professor, Technology and Policy Department of Urban and Environmental Engineering, Kyushu University

III. Comments, questions and discussion

Prof. Keeley's research focuses on conducting empirical research on a wide range of complex problems facing cities, such as energy depletion, environmental pollution, population decline, and disasters, using multifaceted and interdisciplinary approaches including urban engineering and economics..

DATE: 7 July 2023 (Fri.) 18:30 – 20:00 (JAPANESE TIME)
